Vice Chair Report

In preparation for next year, a clear description of each job will be created. Lists of volunteers were created, and suggestions were made. Based on responses from others in attendance I

would like to stay at Newman University and go ahead and schedule the location and time asap so we can get the word out now. Lunch at \$7.50 was a good option for that day in the Student Cafeteria on campus.

Next year, I will be creating a committee to delegate jobs. That was a problem with this Sharathon when people who typically do those jobs were not available. At the last minute their replacements would have benefited from clearer directions. 4 jobs were impacted by this problem affecting the beginning of the day instead of helping everyone set up with drinks, and registration procedures I dealt with video issues for the first 45 minutes to an hour. I take responsibility for the registration table problems with collecting money and collecting money at the dinner on Friday. Amounts were never written down (paid was written) so accountability for money taken in was not accurate except for the total amount. The same thing happened at Fuzzy's with the money.

Ad Hoc Newcomer Committee (Mary B)

- Get some newcomers involved on the Ad Hoc Committee
- Have another meeting and include the Public Outreach
