Region Rep Report (Barb H.)

Region Rep report for intergroup July 7, 2024

I have prepared the estimated costs for attending Fall Assembly in Abilene, TX September 5-9, 2024, copy attached. Region 3 includes a convention in one of the two Assemblies each year. This year that will be in Abilene. Region 3 encouraged MCIG to apply for the \$600 Region allows a new intergroup or new representative for Assembly. I did that and we received it in June. I have thoroughly requested information about the \$600 use and Region 3 expressly stated that it should be used to cover the expenses of both the Assembly and the Convention. I calculate approximately \$570 of cost for Assembly

and Convention by sharing gas costs and room costs with Jean, the RR from Sunflower intergroup. Since

this is different from what we have done with Region 4 in the past, I wanted everyone to understand and ask the board if they have any questions or comments.

I received an email from Cyndy L – OA trustee and Website Review Committee member, regarding Translation Collaborators Needed for OA. They are auto translating OA.org pages into select languages. This will replace the Google Translate feature that has been in use. What they want is help distributing this message to members who are willing to correct errors. If anyone is interested in correcting errors in

translation, please ask them to call or email me and I can provide them the link.
