Region Rep report for September 9, 2025 Intergroup Mtg

The best news is Region 3 is using the Region 4 10th Step Journal and changing some things to make it their own. We still have 15 Region 4 journals in the literature bins and it is the hottest item we sell. So, now we know we will be able to get more journals when we need them. I have asked Region 3 if we will be allowed to buy in bulk at an Assembly and save the shipping cost. Fingers crossed!

I have continued with the monthly Ways and Means zoom meeting where we have worked through the information to help Intergroup treasurers know their responsibilities. We also worked on fundraising through creating the above-mentioned journal.

The eblast email is sent out early each month with the St Louis OA Today newsletter. (Get your email address to me if you have not already.) Attached to the email is the information I receive from Region 3 during the month and any information from the prior intergroup meeting that will keep our members informed.

MCIG is fortunate that many of you stepped up to fill positions and make our intergroup strong. We still have a literature chair position open if someone would like to do some service.

I'm looking forward to rooming with the Sunflower Region Rep during Assembly and Convention. I also hope to see many of you at Convention in OKC October 17 – 19. It might just be the boost your recovery needs.
