### Region Rep Dec 2025 Report

As Region Rep, I worked with the Ways, Means, Finance committee to finalize our goals for 2025 and complete the WMF E-Blast that welcomes our new treasurer of Region 3, gives information about the Daily Journal available through Region 3, gives instructions on how to find your group/meeting number, complete a 10 page Best Practices Guide for group and Intergroup treasurers, and contains QR codes for Region 3. It was a great experience to work with these R3 reps and R3 treasurer on these projects.

I was asked to serve as Co-Chair of the WMF committee in 2026, so I am required to attend the March Assembly in DFW and be a part of the audit committee who does their work early on Thursday before the Assembly begins. I look forward to this opportunity.

In December we learned that WSBC 2026 Delegate Support Fund had reviewed our application and approved \$663 to MCIG. Region 3 had previously allocated \$300 to send our delegate to WSBC in April 2026. \$299 of the WSBC \$663 amount will be allocated to the WSBC registration fee. The rest will be sent to our treasurer to be used by our Delegate. We expect the cost to MCIG to be around \$1000 above these generous allocations.

I also volunteered to join the Sharathon committee and reached out to the Newman University contact about renting the same room as last year for the 2026 Sharathon. The cost will be the same as last year, \$200. At that date, Dec 17, 2025, the room was available for both April 18, and April 25, 2026.

Several of your intergroup positions were at the bank multiple times getting things changed/accurate after our chair resigned. We think we have things running well for now and hope to have a chair to add to the accounts soon.

Barb

## Website Report for January 2026 Intergroup Meeting

- Action Item Status:
  - Website Updates which have not yet been sent to Alex (our webmaster):
    - Current Officers - needs to be updated again (chair position open; Linda W. filled Literature). - ECD 1/17
    - October & November Minutes & Treasurer reports to be posted - ECD 1/17
    - Upcoming event to post on Events Page: Region 3 Assembly and Texas State Convention in March
  - Contact Page - in work. Alex to make corrections - ECD 1/12, but not done as of this morning. Will be associated with the website's e-mail address [midcontinentig.website@gmail.com](mailto:midcontinentig.website@gmail.com), which the Communications Chair would check and respond to.
  - Had issue with payment to Blue Host because the debit card was cancelled by the bank & reissued. Website was down for several days in December due to communication delays with Alex. New card information has been provided to Blue Host, so this issue should not happen again.
  - Work with Treasurer & Alex to create a PayPal account and get a link set up on the website for people to contribute directly to the IG for their 7th Tradition. ECD 11/21. *Not started due to delays in getting the Contact Page created. Will re-engage with Alex after the Contact Page is up & running and the other website updates are completed.*
  - Would like the IG to consider hiring a different person or company to manage our website due to poor response times over the last 2 months. Alex has been paid through May of this year.

### PIPO report

The PIPO committee met and are looking at targeting our funds to get literature out to doctor's offices, therapists, nutritionists, and other service providers to provide information about OA to their patients. We are also planning to attend the Women's Fair the weekend of April 24th, the booth costs approximately \$600. We have requested a non profit rate. We are also planning to have a booth at the WSU Wellness EXPO, March 4th from 11:30-1pm and have inquired about a PSA (public service announcement) for electronic billboards.
